Wagga City Golf Club January News

Happy new year to all of our members. We hope everyone had an enjoyable and relaxing holiday period. We are looking forward to another successful and exciting year for the golf club.

Currently we are taking names of any members interested in representing the club in men's pennants this year. There will be seven rounds held throughout the Riverina starting on Sunday 7th February at our club. Other rounds will be played at Leeton, Junee, Narrandera, Kapooka, The Rock and Coolamon. If you are interested there is a nomination sheet in the Pro Shop. It would be good to see a wide variety of players. High handicappers are more than welcome, as this will help with the balance of the team.

Throughout January we are running a promotion in the pro shop that will give you the chance to win a Taylormade R5XL driver. To go into the draw all you have to do is sign up to the On Course privilege card and supply your email address to the club. The privilege card has a range of benefits including 5% off all purchases in our store, a

regular online newsletter as well as special offers and discounts. It would be good to get as many members emails as possible as this would allow us to inform you of any upcoming events or applicable news relating to the club. To go into the draw simply come into the pro shop and fill out the On Course privilege card form.

Our website is now up and running. If you haven't had a look yet it is well worth checking out. It contains information about memberships, lessons and regular club news. We plan to upload all competition results onto the site, and this will enable you to see exactly where you placed in the field. The website is www.waggagolf.com.au.

We are now preparing freshly made sandwiches in the clubhouse on Monday, Wednesday, Thursday and Saturday. You can order your sandwich in the pro shop before you play and it will be ready when you come in. Alternatively put a tick beside your name on the competition sheet to allow us to get numbers required. The price is \$4.50. We have had feedback from many members suggesting that the club provide more food options and this is a new service we are providing. So come along and try a sandwich next time your at the club.

Over the last few weeks we have noticed an increase in the level of unrepaired divots and pitch marks on the course. It is important to remember to repair not just your own, but also any others you see on the green. If everyone

repaired one pitch mark every time they played this would go a long way towards keeping our greens in excellent condition.

As of the 1st of March all competition fees will be increased by \$1. This charge is a water levy and is a result of the rising costs associated with maintaining the golf course. We hope that we will have your understanding on this issue.

Our green keepers Stuart and Col have been doing a marvelous job on the course throughout summer. As most golfers would attest, the course is looking better than it has in a long time. It is a credit to both of them that they continue to keep the course in such good order.

Sunday Competition

Starting from Sunday 14th February City Golf Club will be running a 9 hole handicap competition.

The competition will be run all day at a cost of \$6 per player in a stableford format and be handicapped through golf link.

Players will be eligible to compete in the event if you play with either a member or a social player only.

Australian Golf endorses this event and we look forward to seeing you and you mates at Wagga City Golf Club

For more details please ask at the pro shop

Graeme Winson has been doing a great job by providing the paper and local radio

station 2WG up to date golf information and results.

The members and club would like to thank you for your commitment and devotion

Thanks Winno

Finally, all membership renewals are due on the 28th of February. It would be appreciated if you took the time to fill out the form provided in the mail. You can pay at any time in the pro shop.

We look forward to another fantastic year of golf in 2010. Look out for your regular monthly newsletter, which we will email to members every month. If you have recently changed your email address, or have a new email, please contact us.

Thank you

Wagga City Golf Club
